

Sonata Vision Sdn Bhd

THE CLUB

Perched on the 28th Floor of GTower, The Club goes beyond the concept of an executive lounge and is elevated to cater to the needs of today's business executive. Despite its auspicious address in the Kuala Lumpur city centre, The Club exudes a calm and discreet venue in which to sample the lounge's best culinary dishes.

The Club has modern contemporary approach with sound proof boardrooms, lounge areas for informal discussion, a high speed internet corner, business and IT concierge.

BRIDGE BAR

The Bridge Bar is constructed stylishly out of environmental friendly and recycled materials. Its warm relaxing ambience makes it a perfect place to unwind after a hard day's work. Panels of transparent glass floor, sporting vertigo inducing views from 28 storeys up is a unique key point in making the bridge bar as the perfect venue for one-on-one meetings, momentous private celebrations, and executive luncheons and dinners.

TANZINI (www.Tanzini.com.my)

Dubbed as one of the most lauded restaurants in Kuala Lumpur, this award-winning restaurant echoes fresh concept with modern elegance interior. Tanzini is focused on providing fresh and delicious cuisine based on rich and hearty food from the Modern European home kitchen. Creative, exciting and always surprising, our kitchen will delight all with new recipes and menus from time to time.

On level 29 of Tanzini, Upperdeck offers diners a unique experience right 'under-the-stars' with distinctive star-lights fixtures. Set in a double volume rooftop pavilion, Upperdeck has spectacular views of the Kuala Lumpur skyline complete with an exclusive private cigar lounge for an exquisite fine dining experience besides offering an exclusive event space for special celebrations and corporate events.

Tanzini has become the venue of choice for casual, corporate and occasional dining.

VIEW ROOFTOP BAR (www.VIEW.com.my)

The View occupies 9,000 sq ft space that is able to accommodate 400 guests at any one time. Despite the building being nestled in the bustling city of Kuala Lumpur, View Rooftop Bar located in the highest floor of GTower, offers a vibrant atmosphere and panoramic view of the city with a surprising degree of intimacy.

With its iconic designs and luxe ambience, View Rooftop Bar provides a perfect surrounding for combining business with pleasure. To aid those sightings, the View is designed in glass, set within a steel framework and used the latest techniques in sustainable development. The result is astonishing, full of wits and panache, literally raising the bar to new heights!

The unique al fresco experience emphasizes the natural light with a rooftop garden setting and depicts exclusivity, environment conscious and is the epitome of luxury. It is spaciouly surrounded by energy efficient air conditioning system.

BREAD LOUNGE (www.breadlounge.com.my)

Bread Lounge serves premium quality coffee to assorted handmade artisan breads, pastries and freshly made sandwiches from breakfast to late evening munch. Our promise is to deliver quality bread to you right from the oven. From the dough moulded by our baker, we use only the finest ingredients for our products ensuring that you not only get great tasting bread but proper nourishment for your body.

The towering 5-metre tall chilli sculpture in the middle of the venue is the iconic symbol of Bread Lounge.
